### PROJECTS

#### Yelpcamp

A campground website that allows you to create, read, update and delete campgrounds, comments and user accounts.

#### RGB color game

A game app that tests your RGB color knowledge in a very interactive user interface, with just front end programming.

#### Natours

A tourism website, designed to be as beautiful as the experience it promises.

#### Nexter

A real estate website, designed to attract buyers in search of beautiful homes.

#### Trillo

A hotel reservation app, designed for luxury.
